

who can leverage state-of-the-art
colorants that perform for paper
coloration needs?

you can.

working for you.

enhance your
paper product
aesthetics and
performance with
our preparations for
paper coloration.

consistent color in all applications.

Our paper colorants are specially developed to meet your paper coloration needs for applications such as: décor paper, laminate paper, art paper, paper whitening, special technical paper and more. We have a broad range of concentrated pigment dispersions that are stable in various systems with consistent color values and performance. Our selected aqueous pigment dispersion lines are the tailor-made solutions for your paper coloration needs.

Our Flexiverse products are resin based aqueous pigment dispersions that are normally preferred for various paper coloration applications. Our Sunspense products are surfactant based aqueous pigment dispersions that are only recommended for paper coating applications. Our C Series dispersions contain surfactant and resin. They are designed to meet your special coloration needs.

globally meeting your needs.

Sun Chemical Performance Pigments is the leading manufacturer of colored organic pigments and pigment preparations. We are committed to delivering consistent and innovative product solutions tailor-made for our customers. Backed by a worldwide supply chain network with global distribution offices, our industry experts deliver brilliant, high-quality products wherever you do business.

Key attributes and benefits

- Broad range of colors
- Multiple systems
- High color fastness
- Concentrated colorants
- Excellent stability
- Consistent products
- Cost effective

innovation

A partner who transforms with you.

Today's environment requires more than change. It demands transformation — and a partner who's willing to transform with you. Sun Chemical, a member of the DIC group, is a leading producer of packaging and graphic solutions, color and display technologies, functional products, electronic materials, and products for the automotive and healthcare industries. Together with DIC, Sun Chemical is continuously working to promote and develop sustainable solutions to exceed customer expectations and better the world around us. With combined annual sales of more than \$8.5 billion and 22,000+ employees worldwide, the DIC Group companies support a diverse collection of global customers. As you move forward into a world of stiffer competition, faster turnarounds, more complex demands and sustainable products, count on Sun Chemical to be your partner.

working for you.
