INSTALLATION OF SUNCHEMICAL APPLICATIONS

FOR ANDROID DEVICES

INSTALLATION OF SUNCHEMICAL APPLICATIONS

FOR ANDROID DEVICES

1. Installing directly from an Android Device

Using the android device internet browser, select the appropriate application and click download.

Application Name	Version	Product Use	Platform Format	Language	
Glucose and Sucrose	1.0	BIO-GLU-A1 BIO-SUC-A1	Android	English	Download

Once the application is downloaded, click run.

Install blocked

For security reasons, your device is currently set to block the installation of apps that were not obtained from Play Store. To change this, go to Settings > Lock screen and security, then enable Unknown sources.

CANCEL   SETTINGS

A dialog box may appear containing "Install blocked".
Click on the settings option

Unknown sources

Installing from unknown sources may be harmful to your device and personal data. By tapping OK, you agree that you are solely responsible for any damage to your device or loss of data that may result from using these applications.
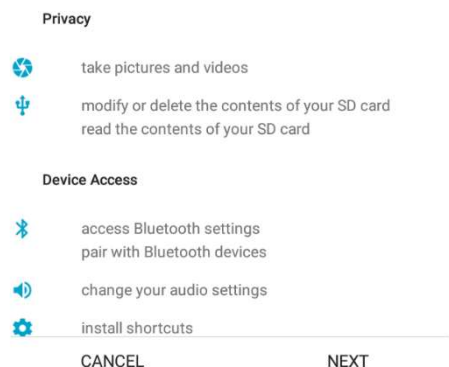

☑ Allow this installation only

CANCEL   OK

A new dialog box will appear containing "Unknown sources".
It is recommended that the "Allow this installation only" check box is checked.
Click on the "OK" option

SunChemical®
