- EcoVadis Silver – Top 25% in 2025

Our Strengths with Expertise over 150+ years

Customized solutions: Development of tailor-made masterbatches according to your exact specifications.

A broad range of pigments through our affiliation with DIC/Sun Chemical

High flexibility: From small batches (100kg) to large-scale production (50 tons)

Agile customer support: Fast response times, personal support, and flexible production planning.

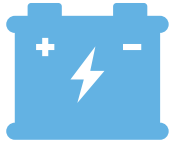

All functions & know-how for polymers, pigments, additives & regulatory requirements in one place to ensure the highest product and process quality

Sustainability Leadership: Solutions supporting recycled content, bio-based materials, and reduced environmental impact through bio-degradable solutions.

Your Masterbatch Hub to meet diverse requirements in industries such:

Electrical components

Packaging

Household & Consumer Products

Construction

Automotive

Fibers & Textiles

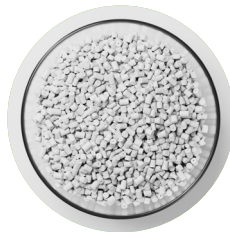

Medical & Healthcare

Our product portfolio

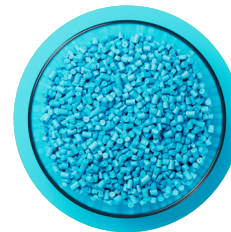

Monobatches

Additive Batches

Compounds

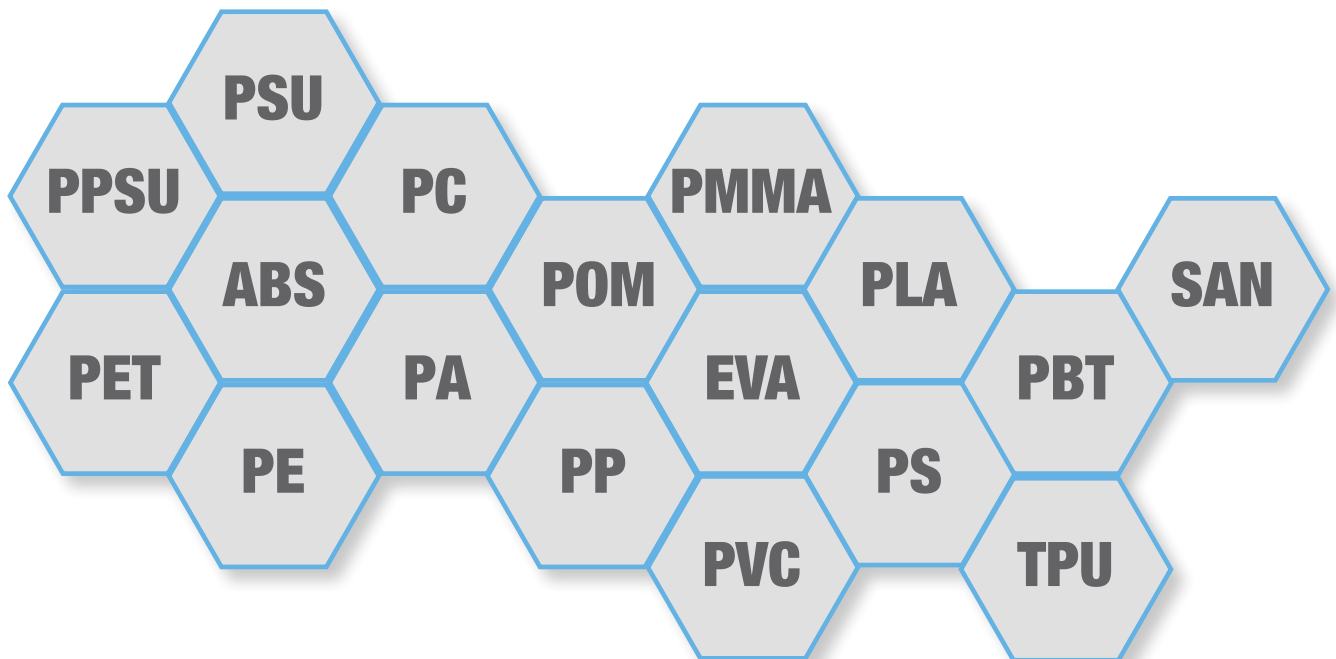

Combination Batches

Sicoplaste

Our carriers for your Masterbatch

Let our experts help you find the perfect masterbatch tailored to your unique needs. Reach out to us now!

Make it sustainable

Besides masterbatch for standard and engineering polymers, we offer specialized solutions for sustainable plastics. To choose the fitting masterbatch, base and degradability of the polymer are determining.

Choose between:

Experience. *Transformation.*

A partner who transforms with you.

Today's environment requires more than change. It demands transformation — and a partner who's willing to transform with you. Sun Chemical, a member of the DIC group, is a leading producer of packaging and graphic solutions, color and display technologies, functional products, electronic materials, and products for the automotive and healthcare industries. Together with DIC, Sun Chemical is continuously working to promote and develop sustainable solutions to exceed customer expectations and better the world around us. With combined annual sales of more than \$8.5 billion and 22,000+ employees worldwide, the DIC Group companies support a diverse collection of global customers. As you move forward into a world of stiffer competition, faster turnarounds, more complex demands and sustainable products, count on Sun Chemical to be your partner.
